PADAM BADGAL

STUDENT + JUNIOR MERN STACK DEVELOPER

Amritsar, Punjab • +91 98776 57769 • padambadgal@gmail.com

PROFESSIONAL SUMMARY

B.Tech Computer Science & Engineering student and Junior MERN Stack Developer with hands-on experience building responsive and full-stack web applications through practical projects. Skilled in JavaScript, React.js, Node.js, Express.js, MongoDB, REST APIs, authentication, Git, and GitHub. Experienced in developing frontend interfaces and real-world web applications while continuing to grow as a full-stack developer.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Tailwind CSS, Responsive UI
Backend	Node.js, Express.js, REST APIs, EJS
Database	MongoDB, Mongoose, database schemas, CRUD operations
Authentication	JWT authentication, authorization, protected routes, HTTP-only cookies
Tools	Git, GitHub, VS Code, npm, Postman
Core	Full Stack Development, API integration, form handling, state management, debugging

PROJECTS

MERN ClothSite — Full-Stack E-commerce Application

Built a MERN-based clothing e-commerce application with React frontend and Node.js/Express backend. Implemented product browsing, authentication, protected routes, cart and admin-oriented functionality, with MongoDB/Mongoose for data management.

Appointment Booking SaaS — Full-Stack Web Application

Developing a multi-business appointment-booking platform using React, Node.js, Express and MongoDB. Includes authentication/authorization, business, services, staff, availability, customers and bookings workflows, with subscription-based access planning.

React Movie Explorer

Built a React application that consumes a movie API to search and display movie information, demonstrating API integration, component-based UI and state management.

React Expense Tracker

Created a responsive expense-tracking application using React with reusable components and client-side state management.

Personal Portfolio Website

Created a responsive portfolio website using HTML, CSS and JavaScript.

EDUCATION

Bachelor of Technology — Computer Science & Engineering
IK Gujral Punjab Technical University, Amritsar Campus | July 2024 – July 2028

Senior Secondary (12th) | May 2022 – Apr 2024 | 87% Marks

CAREER OBJECTIVE

To secure an internship or entry-level software development role where I can apply my MERN Stack skills, build scalable web applications, learn from experienced developers, and contribute to meaningful projects.
